Marie Philip School & Walden School Offers Another Year of Meals at No Cost for Students

TLC (MPS & WS) will be participating in the National School Lunch Program. As part of this program, MPS and WS will offer healthy meals every school day. The Massachusetts legislature has provided funding to make meals available at no cost to all students during school year 2023-2024, regardless of household income. However, families should still complete a Meal Benefit Application as this provides data for key funding for academic resources and may also connect families to additional benefits. This data will also support the additional funds provided by the Commonwealth for this pilot.

Household size and income criteria are used to determine eligibility for free and reduced-price benefits if the household does not receive assistance or the children are not in the other categories mentioned above. Children can get free or reduced-price meals if the household's gross income falls at or below the limits on the Federal Income Eligibility Guideline chart.

FEDERAL ELIGIBILITY INCOME CHART For School Year 2023-2024						
Household size	Maximum Household Income Eligible for Free Meals			Maximum Household Income Eligible for Reduced Price Meals

Each additional person:	+6,682	+557	+129	+9,509	+793	+183

To apply for free or reduced-price meals, households can fill out the application and return it to the school unless the household has already received notification that their children are approved for free meals this year. Application forms are being distributed to all households with a letter informing households of the availability of free and reduced-price meals for their children and what is required to complete on the application. Applications also are available in the Parent Portal in Skyward, or on the Family Resource page on TLC's website.

Only one application is required for all children in the household and the information provided on the application will be used for the purpose of determining eligibility and verification of data. Applications may be verified at any time during the school year by the school or other program officials. An application for free or reduced-price benefits cannot be approved unless it contains complete eligibility information as indicated on the application and instructions. In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, national origin, age, or disability.

Families can apply for benefits at any time. If a household member becomes unemployed or if the household size increases, the household should contact the school. Such changes may make the children of the household eligible for benefits if the household's income falls at or below the Federal Guidelines. Contact Chris Kaftan at any time to request an application.

Under the provisions of the free and reduced-price policy, Chris Kaftan, Director of Student Services and William Cline, Accounts Payable Manager, will review applications and determine eligibility. Parents or guardians dissatisfied with the ruling of the official may wish to discuss the decision with the determining official on an informal basis. Parents wishing to make a formal appeal for a hearing on the decision may make a request either orally or in writing to Chris Kaftan, The Learning Center for the Deaf, 848 Central Street, Framingham MA 01701.

When known to TLC (MPS & WS) households will be notified of their children's eligibility for free meals if they are members of households receiving assistance from the:

- Supplemental Nutrition Assistance Program (SNAP);
- Food Distribution Program on Indian Reservations (FDPIR); or
- Temporary Assistance for Needy Families (TANF), if the State program meets Federal standards.

An application is not required for free meal benefits for Assistance Program participants and all the children in the household are eligible for free meal benefits. If any children were not listed on the notice of eligibility, or if a household does not receive a notice of eligibility, the household should contact the school to have free meal benefits extended to them. Participants in the Special Supplemental Nutrition Program for Women, Infants and Children (WIC) may be eligible for free or reduced-price meals, but they will need to turn in an application including household size and total income.

When known to TLC (MPS & WS) households will also be notified of any child's eligibility for free meals if the individual child is considered "Other Source Categorically Eligible", because the child is categorized, as defined by law as:

- Foster
- Homeless,
- Migrant,
- Runaway,
- Enrolled in an eligible Head Start, or
- Enrolled in an eligible pre-kindergarten class.

If any children were not listed on the notice of eligibility, the household should contact the school about their eligibility through the list above, or should submit an income application.

Households notified of their children's eligibility must contact the school if the household chooses to decline the benefits.
