

The Learning Center for the Deaf is a national leader in educational, therapeutic, and community services for, by, and with deaf and hard of hearing children and adults. Since 1970, we have been a true pioneer in Deaf Education, and an innovator in providing comprehensive services to deaf and hard of hearing children and adults. Over the past 50 years, TLC has grown from a small school in a rented room to a diverse multi-service agency with 17 buildings on a 14-acre campus and an additional location in Springfield, Mass. Our organization includes:

MARIE PHILIP SCHOOL - Educating nearly 200 deaf and hard of hearing students Pre-K to 12+ in a bilingual-bicultural language-rich setting;

WALDEN SCHOOL - Providing trauma-informed therapeutic residential care and education for deaf and hard of hearing children and youth ages 8-22;

BADAVAS PARENT INFANT PROGRAM - Supporting at-home early learning for children birth to age 3, toddlers and their families;

WALDEN COMMUNITY SERVICES - Providing accessible Children's Behavioral Health Initiative, community-based and family support and stabilization services for families with a deaf family member;

AUDIOLOGY CLINIC - Providing comprehensive audiologic, hearing aid and cochlear implant services to the MetroWest community and beyond;

INTERPRETING SERVICES - Providing nationally certified/state approved ASL and Deaf interpreters for businesses, medical centers, colleges and universities;

PUBLIC SCHOOL PARTNERSHIPS - Addressing the specific needs of Massachusetts students with hearing aids and cochlear implants in mainstream educational settings;

DEAF CULTURAL CENTER - Preserving the rich, vibrant history of the Deaf Community and celebrating all unique and dynamic cultures;

ASL CLASSES - Providing customized ASL instruction for community members;

CENTER FOR RESEARCH AND TRAINING - Supporting bilingual/bicultural Deaf Education through training, research and practice.
