

COVID-19 Guidelines

You need to stay home if you have:

One or more of these:
Fever 100.4F or higher
Chills
New cough
Shortness of breath
Loss of taste or smell
Sore throat
Headache
Muscle or body aches
Fatigue
Nausea/vomiting/diarrhea
Congestion/runny nose

OR

Have knowingly been a Close Contact with someone who is COVID-positive. A Close Contact is someone who has been within 6 feet of the infected person for at least 15 minutes.

When can I return to school?

***Positive COVID-19 Test**

May return after
Minimum of 10 days since symptoms first appeared;
At least 24 hours with no fever (without the use of medication);
Other symptoms have improved

***Negative COVID-19 Test**

Improvement of symptoms
and
No fever for 24 hours without the use of medication or Doctor's note indicating alternative diagnosis

***No COVID-19 Test**

May return after 14 days and symptoms have improved
and
No fever for 24 hours without the use of medication

***Exposure to COVID-19**

May return to school after 14 days of quarantine
and
Have no symptoms
