

8/11/16

Dear parents / Guardians,

Please fill out the enclosed forms and mail them back to the attention of **Sarah Wendorf**.

*Please do not separate the forms.

*If a form does not apply to your child, please mark it "N/A" in large letters across the page.

*Please do not wait until your child sees the doctor or the dentist before returning the remainder of the emergency packet. You may always send in the physical and dental exam forms afterwards.

(TLC supplies forms for your doctor or dentist to use in this packet if they choose but they may wish to use their own internal forms for the physical and the dental exam.

These may be faxed to the nursing department at 508-872-7191 or Elementary/Pre-K nursing dept. at 508-532-6657 or mailed to TLC).

*Please make sure that the forms are legible.

***Please return the forms by August 15th.**

Thank you!
